WHAT'S SO AMAZING THAT KEEPS US STARGAZING?

For nearly sixty years, the marvels of God's universe have been a source of joy and wonder for Pastor Bruce Booher. You are invited to join him for a three session Zoom event to explore some of these marvels and consider how they can inspire faith and awe. There will be links and resources to help you continue to explore the marvels of God's creation, and the opportunity for you to share your thoughts and questions.

WONDERS OF THE UNIVERSE – 8/26/20 – Marvel at the beauty and majesty of some of the most exciting objects in the cosmos. Discover ways to make new faith connections with God's magnificent creation.

TOURING OUR SOLAR SYSTEM – 9/2/20 – We will explore stunning images of the Sun, Moon and planets from observatories and space probes. Discover what you may expect to see through telescopes as an amateur astronomer.

INTRODUCTORY STARGAZING – 9/9/20 – Learn the basics of telescopes and binoculars and how to use them. Find out easy ways to locate some of the brighter deep sky objects in the night sky. Learn some constellations and the stories behind them.
